SELECTMEN'S REPORT

To the Citizens and Tax Payers of the Town of
Jefferson:—

In submitting our annual report for the year of 1918 we wish to state that we are very much pleased with the new form of Book Keeping as it simplifies our work and makes a better and more comprehensive reference work.

The year has been a favorable one for the Town with no extraordinary expense. Owing to the increased cost of labor and material the Road Agents were obliged to overdraw the appropriation to the amount of \$1210.91 and we would recommend that the extra cost of labor be considered in our next appropriation.

The rebuilding of the Jewett Bridge will have to be considered this year. Some of the stringers for that bridge are already purchased and were on the spot.

Thanking the public for its fair consideration of our efforts during the past year we submit our report.

Respectfully,

ARTHUR E. TUTTLE,

JOHN A. ROGERS,

GEORGE E. STONE,

Selectmen of Jefferson.
